The word DIGNITY... and a DAY of SERVICE ... is the right of a person to be valued and respected. To be treated ethically. It is the significance of a person to have status, the right to their religious beliefs, morality, ethics, law, and politics as an extension of the Enlightenment-Era or the Age of Reason concepts of inherent and inalienable rights with Supplies and Resources provided on a special day of service.

SUPPLIES & SERVICES ARE BASED ON A FIRST COME FIRST SERVE BASIS
